

**Town of Buena Vista Beautification Advisory Board**  
**July 6, 2010 Minutes**

Call to Order: Joy Duprey called the meeting to order at 5:10pm

Roll Call: Jan Lewis, Judy Nyberg, Liz Murray, Tami Yinger, Jennifer Wright

The Minutes from the June meeting were approved.

**Old Business**

-Planting wrap up:

The plants cost \$1025; the town gave us \$1000 to spend, so the total cost to us was \$25.

We had some volunteers that did not show up on Planting Day, but Liz and Dan Murray helped plant the extra planters.

Tami Yinger replanted the planters at Century 21 and Rally Liquor where the plants had died.

-Funds in account after planting: \$773.00

- Adopt a Planter sponsorships:

We had 20 Planters that were sponsored, for a total of \$500. This was one of our best fundraisers, so we will continue doing it in future years. We have also heard good comments about the laminated sponsor signs in the planters.

-Sponsor a Town Bench program:

We are still waiting to hear how the Town would like us to help do this, but feel that with the positive feedback from the Planter sponsorships that this would be a good fundraiser for the new furniture for Main Street.

-Bows for Town Holiday wreaths:

We would like to work with the Mountaineers on this. Discussion on plastic or metal bows; Tami Yinger will look for vendors and samples during Market at the Denver Merchandise Mart

**New Business**

- Town Planter on the NW corner at the light:

Discussion on including this planter in our planting next year; Joy Duprey will talk to Roy Gertson about it.

-Optimist Club presentation by Joy and Tami

The presentation was well received by the Optimists; Joy even got a donation from one of their members afterwards!

Joy and Tami reprised their presentation; it is very professional and explains our purpose well. It was decided to submit Tami's written speech to the paper for our column.

**Other Business**

-Collegiate Peaks Bank should get a Beautification Commendation for their new landscaping; Joy will write an article for the paper.

- Bonnie from Merrifield's has mentioned pre-planting inserts for us next year. She will experiment and let us know the cost.

Our next meeting will be on Tuesday, August 3rd at Daughter's at 5pm.

The meeting was adjourned at 6pm.

Respectfully submitted by Jennifer Wright
